

Get your company profile into Chetwynd Barracks

There are a number of ways that Beeston businesses can be involved with the military personnel who live and work in the barracks.

Your business can go into the barracks to give talks, demonstrations and/or have a stall. This would showcase your business while demonstrating what Beeston has to offer and why they should visit Beeston instead of Nottingham.

There are also opportunities to get your information into their regular newsletter that is circulated to over 3000 people. The BID PR team will be writing a regular information column in this newsletter that will feature what's going on in the town.

Coffee morning/afternoons

Every week there are a number of coffee mornings and afternoons held in the HIVE Centre in the barracks. The organisers are keen to have businesses come and showcase their business to the wives. This can be in the form of demonstrations or a stall.

Lucy from Effortless Beauty on Wollaton Road spent a morning in November giving hand massages and beauty advice to the ladies. From this she gained seven bookings.

Most of the wives are new to the area and do not drive. Therefore their friends and activities tend to be centred within the barracks.

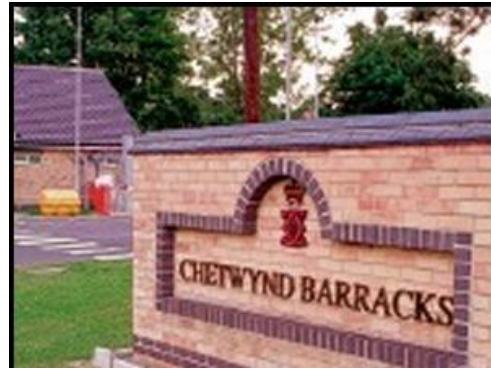

The type of businesses that would be of interest to the ladies would be: fashion, hair and beauty, children's clothes and toys, restaurants, music, gifts, art and books and household goods.

Youth Clubs

They are always interested in people to come and give talks at the youth clubs that would be of interest to children ranging from 7 years old. You would need to hold CRB checks or be willing to have one done.

The kind of businesses of interest could be: music, books, sports etc.

Please fill in the form to express your interest in showcasing your business in Chetwynd Barracks.

Chetwynd Barracks profile

Coffee morning/afternoons/events

I am interest in being involved, please give me more information.
